Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Prince George's County School Based Pediatric Telehealth Network in fiscal year 2022. The entity to receive funding for this project is the Prince George's County Health Department, located at 1701 McCormick Drive, Suite 200, Largo, MD 20774. The funding would be used to build a school based pediatric telehealth network to connect students in 100 Prince George's County public schools to critical somatic and mental health care.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Member of Congress

Sincerely,
